

MOMENTUM

10 - 11 JULY 2020

**CHANGE
THE
ATMOSPHERE**

Momentum 2020 offers two amazing days for the Baptist family to meet together.

With a call to prayer in 2020, we gather for Momentum this year with a desire to see more of God's Kingdom breaking through: In our nation; in our communities; in our churches and in our lives:

'Build your Kingdom here we pray'

Come for both days if you can and bring a group from your church to be inspired and renewed in a desire to 'change the atmosphere' as we seek more of God's Kingdom here. This year we are aiming to bring an emphasis on interactive Bible teaching, practical seminars, inspiring worship and a global perspective.

Children and young people in church can often feel isolated and alone. Why not bring them on Saturday to join with others, have fun and be equipped to change the atmosphere through their own faith journey.

Friday 10 am - 7 pm (including lunch and evening meal)

What does it take to change the atmosphere and recognise God at work in Wales and beyond? We'll hear from God's Word through interactive Bible studies and are delighted to have Tony Peck, General Secretary of the European Baptist Federation (EBF) share about the transformation taking place in Europe where being a Christian is not easy. With a blend of worship and stories from around the World, don't miss this first day of Momentum!

Saturday 10 am - 4 pm (including picnic lunch)

A day for the whole church, where young and old can gather together to celebrate, laugh and learn together. With practical and inspirational seminars there's something for everyone to encourage you and your church to change the atmosphere where God had called you.

**Book your tickets now and make these two days
a date not to be missed!**
