Encouraging churches  
in Mission

EXPLORE

Missional Training  
in partnership with **FORGE**

## Purpose

The purpose of the "Explore" track, is to work with those who are beginning to think through what it means to join God on mission but are not yet in a position to engage in a transformational process of seeing the DNA of the church change towards organising the church around participation in the mission of God.

This monthly online community via Zoom, will aim to inform and inspire (Explore) churches and leaders towards engaging in 'Ethos' at a later date for the purpose of being equipped for this transition.

'Explore' is also a helpful tool and journey for those who desire to grow in their understanding of who God is and how they might participate on mission but find themselves in a community of God's people who may not be yet ready to see a transition occur.
